Bob During The Verse

```
F#m
My time coming, anyday, don't worry about me, no
F#m
Been so long I felt this way, I'm in no hurry, no
F#m
Rainbows and down that highway where ocean breezes blow
F#m
My time coming, voices saying they tell me where to go.
```

Verse Ending

```
F#m

And I'm in no hurry, nah, nah nah, I know where to go.

Chorus

```
    G         C             G             F  C
California, preaching on the burning shore
    G              C              G          F   C
California, I'll be knocking on the golden door
        G     C             G                F
Like an angel, standing in a shaft of light
C           G          C             G       F    C
Rising up to paradise, I know I'm gonna shine.

My time coming, anyday, don't worry about me, no
It's gonna be just like they say, them voices tell me so
Seems so long I felt this way and time sure passin' slow
Still I know I lead the way, they tell me where I go.

Don't worry about me, no no no, don't worry about me, no
and I'm in no hurry, no no no, I know where to go.
```

```
California, a prophet on the burning shore
California, I'll be knocking on the golden door
Like an angel, standing in a shaft of light
Rising up to paradise, I know I'm gonna shine.
